

SVT Advisor Test Ride Playbook

Document ID: SVT-DEMO-RAG | Classification: Internal Advisor Use

Purpose

Guide dealer advisors through scheduling and conducting SVT test rides. Use with SVT Advisor Copilot after intent qualification.

Before the Ride

Confirm valid driving license. Confirm helmet availability. Confirm appointment date/time with prospect. Verify contact consent is true in Data Cloud before sending customer email.

During the Ride (15 minutes)

Recommended route: mixed city and quiet road. Highlight regen braking, display cluster, and storage. Do not promise discounts or financing terms.

After the Ride

Create CRM Task within 24 hours (subject prefix: Test Ride). Send confirmation email if consent allows. Schedule follow-up call within 48 hours.

Do Not

Do not approve pricing. Do not guarantee delivery dates. Do not bypass consent guardrails.
