

SVT Objection Handling Guide

Document ID: SVT-DEMO-RAG | Classification: Internal Advisor Use

Too Expensive

Acknowledge budget concern. Reframe total cost of ownership: lower running cost vs petrol. Offer test ride before price discussion. Do NOT approve discounts - escalate to sales manager.

Range Anxiety

Explain demo range figures are under ideal conditions. Point to technical specification for battery kWh and certified range. Suggest test ride to experience regen braking.

I Will Think About It

Ask what information would help decide. Offer dealer follow-up within 48 hours. Create CRM task only with consent.

Competitor Mention

Focus on SVT test ride experience and service network. Do not disparage competitors.

Authority Reminder

Advisors may explain value. Only authorized finance team may approve financing or discounts.
